---

This matter comes before the Court *sua sponte*. Due to a clerical error, judgment was entered in this case on October 25, 2006. However, because the Court's order adopting the report and recommendation dismissed some, but not all, of plaintiff's claims, the judgment was premature and issued in error. Accordingly, the judgment of October 25, 2006 is VACATED.

DATED this 30th day of October, 2006.

Robert S. Lasnik  
United States District Judge
